

STUDENT WELLBEING AND ENGAGEMENT POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact your Campus Principal

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour

Essendon Keilor College is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Essendon Keilor College is a multi-Campus College and is located in a pleasant environment close to the airport and the city in the western suburbs of Melbourne. The school has a multi-cultural mix of students from a range of cultural, ethnic and religious backgrounds. The school services students from Essendon, East Keilor, Niddrie, Airport West and surrounding areas. The area is served by an excellent public transport system. The city is only 20 minutes away by train.

The Essendon Keilor College philosophy is centred around the rights and responsibilities of students and staff to work in a stimulating and innovative learning, environment focussed on a curriculum program that is forward looking and responsive to the contemporary world. Our vision is to develop accomplished citizens who contribute, live meaningfully and succeed.

Students are supported and encouraged to reach their full social, emotional and educational potential. They are expected to be fully focussed on their learning program, to respect the rights of others and to participate actively in a broad range of College curriculum programs and extra-curricular activities. The College recognises and rewards outstanding student performance, endeavours to build a strong connection with students through sport and performing arts programs, promotes student leadership and encourages positive student teacher relationships.

The College provides a coherent, challenging and engaging curriculum to a broad range of students from diverse cultural backgrounds. The College has a strong commitment to the surrounding educational community and participates in innovative programs involving students and teachers in primary and secondary schools in the local area.

2. School values, philosophy and vision

Essendon Keilor College's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and honesty at every opportunity.

Essendon Keilor College's vision is to:

Provide a stimulating and vibrant learning environment

Be innovative and responsive to the contemporary world

Demand high standards and takes pride in all of its achievements

Build a real partnership between parents, teachers and students

Appreciate the worth and potential of every individual

Our Statement of Values is available online at www.ekc.vic.edu.au

3. Engagement strategies

Essendon Keilor College has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

Universal

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive and that embraces and celebrates diversity and empowers all students to participate and feel valued
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- deliver a broad curriculum including VET programs, VCE and VCAL to ensure that students are able to choose subjects and programs that are tailored to their interests, strengths and aspirations
- teachers at Essendon Keilor College use GANAG as an instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
- teachers at Essendon Keilor College adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
- carefully planned transition programs to support students moving into different stages of their schooling
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
- students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council and other forums including year group meetings and Peer Support Groups. Students are also encouraged to speak with their teachers, Year Level Coordinator, Campus Principal and College Principal whenever they have any questions or concerns
- create opportunities for cross-age connections amongst students through school productions, athletics, music programs and peer support programs
- All students are welcome to self-refer to the Student Welfare Coordinator, School Nurse, Mental Health Practitioner, Year Level Co-ordinator, Campus Principal and College Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning
- we engage in school wide positive behaviour support with our staff and students, which includes programs such as:
 - Respectful Relationships
 - Bully Stoppers

- Safe Schools
- SWPBS
- programs, incursions and excursions developed to address issue specific behaviour (i.e. anger management programs)
- opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
- buddy programs, peers support programs
- measures are in place to empower our school community to identify, report and address inappropriate and harmful behaviours such as racism, homophobia and other forms of discrimination or harassment.

Targeted

- each year group has a Year Level Coordinator, a senior teacher responsible for their year, who monitors the health and wellbeing of students in their year, and acts as a point of contact for students who may need additional support
- all students from Year 10 and above will be assisted to develop a Career Action Plan, with targeted goals and support to plan for their future

- [Navigator](#)
- [LOOKOUT](#)

Essendon Keilor College implements a range of strategies that support and promote individual engagement. These can include:

- building constructive relationships with students at risk or students who are vulnerable due to complex individual circumstances
- meeting with student and their parent/carer to talk about how best to help the student engage with school
- developing an Individual Learning Plan and/or a Behaviour Support Plan
- considering if any environmental changes need to be made, for example changing the classroom set up
- referring the student to:
 - school-based wellbeing supports
 - Student Support Services
 - Appropriate external supports such as council based youth and family services, other allied health professionals, headspace, child and adolescent mental health services or ChildFirst
 - Re-engagement programs such as Navigator

Where necessary the school will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family
- engaging with our regional Koorie Education Support Officers
- running regular Student Support Group meetings for all students:
 - with a disability
 - in Out of Home Care
 - with other complex needs that require ongoing support and monitoring

4. Identifying students in need of support

Essendon Keilor College is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance

student wellbeing. Essendon Keilor College will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families
- self-referrals or referrals from peers
- referrals from parents or carers

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Essendon Keilor College will institute a staged response, consistent with the Department's Student Engagement and

Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- restorative practices
- detentions
- behaviour reviews
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Essendon Keilor College is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited in our school and will not be used in any circumstance.

7. Engaging with families

Essendon Keilor College values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

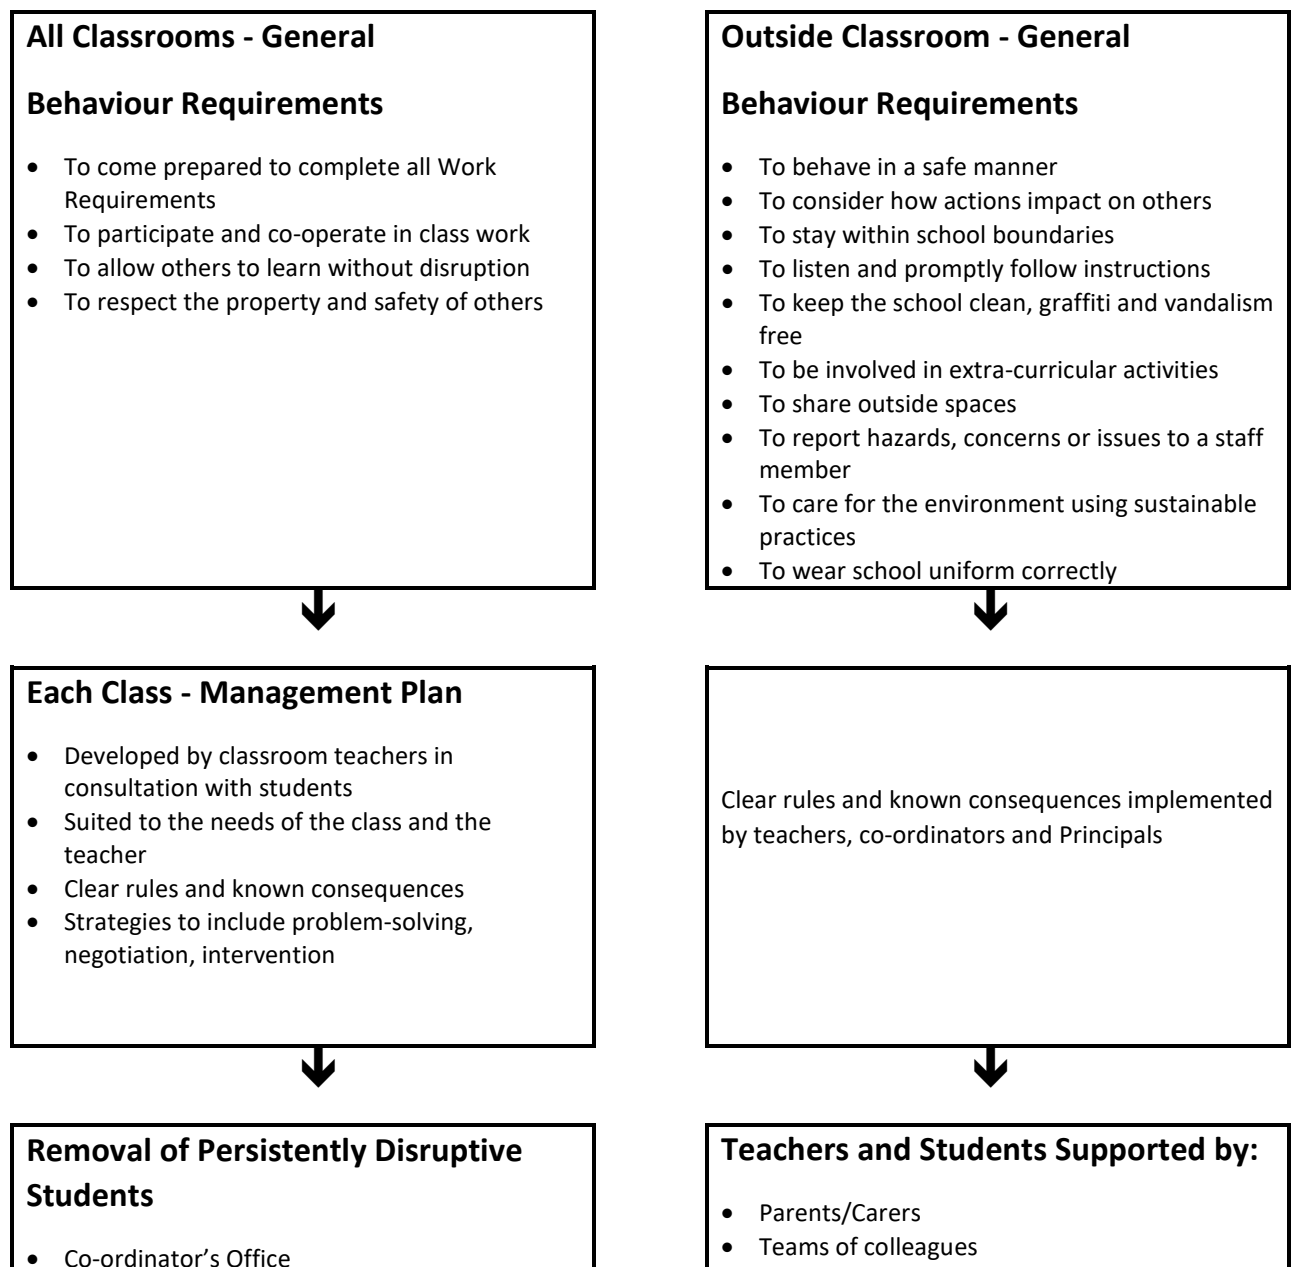

We work hard to create successful partnerships with parents and carers by:

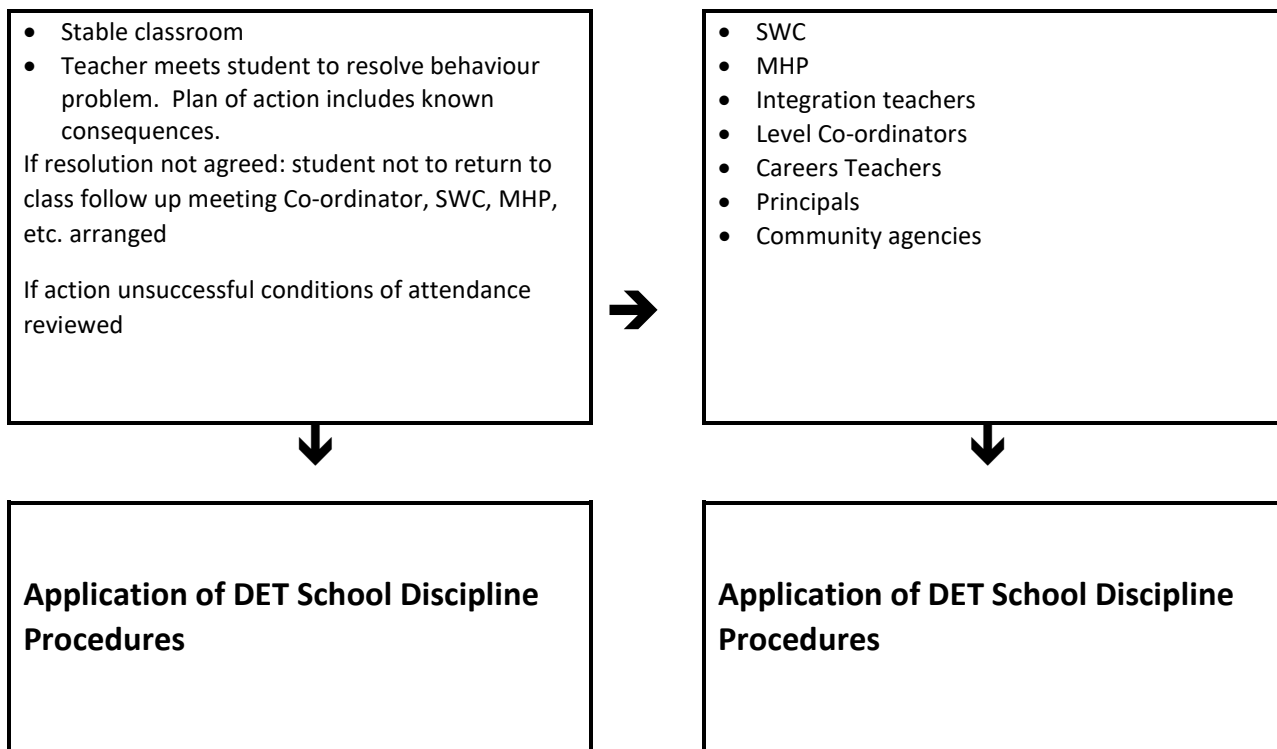

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students
