
Student Code of Conduct

We strive for continual academic progress and personal development to achieve peak performance.
It is achieved in partnership with all community members and demonstrated by:

Excellence

Rising to high expectations
Striving for and demonstrating potential
Setting goals, working strategically and monitoring progress
Asking for assistance and responding to feedback
Celebrating everyone's success

Diligence

Working hard
Positively approaching and working through tasks
Persisting through challenges
Taking responsibility for our own learning
Balancing our commitments and managing our time effectively

Integrity

Upholding the college values
Abiding by college policies and classroom expectations
Taking responsibility for our choices and actions
Listening and respecting the opinions of others; showing consideration
Being honest, reliable and respectful of ourselves, others and the environment

Community

Participating fully in school life
Promoting safety and inclusion
Fostering positive relationships
Valuing diversity and demonstrating tolerance
Taking pride in the College and being an outstanding ambassador

Service

Translating compassion into purposeful action
Championing social justice by upholding and promoting the rights of all people
Acting ethically
Recognising our privileged place in the world and giving back
Living sustainably
