Dear parent/guardian,

Essendon Keilor College is looking forward to another great year of teaching and learning and would like to advise you of Essendon Keilor College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Essendon Keilor College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Within our school this support has allowed us to work in close partnership with parents and the broader school community to provide the best educational opportunities and outcomes for students, both inside and outside the classroom. Through this partnership, parents understand that the contribution they make to their children's education, in all its various forms, has an important role in enriching the school's learning and teaching program and improving educational outcomes. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. This is why parent contribution is highly valued by school communities.

Please find the fee schedule for all year levels *Year 7-12* attached. Complete this form and return to the school by *Friday 25th February 2022 or alternatively make payments direct into Compass* so the school can prepare accordingly.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

D.B. A
